Mr. Turri was a proud and active alumnus of MMI Preparatory School of Free-land where he was Valedictorian of the Class of 1945. After graduation he was awarded a four year scholarship to the University of Pennsylvania where he earned his B.S. in Engineering. Joe Turri, an avid bocce player, established The Jeffrey A. Turri Endowed Scholarship in his son's name. He then willed a contribution to MMI for the construction of The Joseph A. Turri '45 Library and Learning Center.
